

RESOLUTION NO. 15-03

**RESOLUTION OF THE GOVERNING BODY OF THE
ALTO SANITARY DISTRICT**

**ADOPTING STANDARD SPECIFICATIONS AND DRAWINGS FOR THE
DESIGN AND CONSTRUCTION OF PUBLIC SEWERAGE AND SIDE
SEWERS**

WHEREAS the Alto Sanitary District has the responsibility within its jurisdiction to oversee the design, construction, repair, and maintenance of the public sewer system as well as side sewers, also known as private laterals;

and

WHEREAS this oversight requires that certain standards of design and construction be met in order to serve the public interest;

and

WHEREAS Nute Engineering has carefully written such specifications based on the Uniform Plumbing Code, Standards of the State of California, and mirrors the parts of the Marin County Municipal Code and the Construction Standards for most other sanitary districts and sanitation agencies in the County dealing with sewers;

and

WHEREAS the Board of Directors have agreed that said specifications in its final form titled Standard Specifications and Drawings for Public Sewerage Facilities and Side Sewers, which is attached hereto as “Exhibit A”, does embody standards of the Alto Sanitary District for the design and construction of sewers, both public and private;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors that the document, Standard Specifications and Drawings for Public Sewerage Facilities and Side Sewers, is adopted as the guiding document pertaining to the design, construction, repair, and maintenance of sewers within its jurisdiction.
