**Staff Report**  
**Board Meeting**  
**March 25, 2026**

**TO: BOARD OF DIRECTORS**

**FROM: GARRETT TOY, GENERAL MANAGER**

**SUBJECT: STAFF REPORT FOR MARCH 25, 2026 AGENDA**

---

This is the staff report for Consent Calendar, Agenda Items 6a-e, Item 7a-c

**5. Consent Calendar** –Approval of the Minutes of February 25, 2026 Meeting

**6. Regular Business**

- a. Approval of February 2026 Financial Reports & March 2026 List of Payments (materials to be distributed at the meeting).

This would typically be on the consent calendar. However, this is the first report we prepared with Mr. Hansell’s assistance and, we thought it would be beneficial to have this as a discussion item. Mr. Hansell is working to finalize all the financial information for FY24-25 to provide to the bookkeeper who then consolidates and provides to the auditor. Once TCSD can receive the QuickBooks file from the bookkeeper we can set up a QuickBooks account for Alto to use for monthly financial reports. We have started reviewing emails and submitting reports.

Recommended Action: Motion to approve

- b. Discuss status of transition process for TCSD to provide services to Alto.

This is the first meeting where we have prepared most of the materials. You may note that we have made minor adjustments to the agenda format and we included a staff report for items with attachments. We will provide a further status update on the transition process at the meeting.

Recommended Action: none

- c. Discuss/consider process to change meeting time.

We’ll need to research the hardcopy files to find the ordinance and/or resolution which established the meeting times. However, we will propose an interim process to allow meetings to begin at 6:30pm.

Recommended Action: Motion to approve

d. Discuss/consider costs to change website provider and design a new website.

At the last meeting, staff indicated we would provide more information on the costs. It appears Alto uses a service called Yola for the website. The annual cost is approximately \$100. However, the website does not meet state or federal standards for website accessibility requirements. The deadline for website compliance is April 2027. We recommend switching to Proud City, which is an open source platform that TCSD uses for its website. The costs is approximately \$310/mo., but it's fully ADA compliant. Streamline/CivicPlus website services is approximately \$350/mo.

The process is for Proud City (note: Streamline uses the same process) to train staff in how to use the platform to set up the new website. Alto would save on setting up the website because TCSD staff has already went through the same process for TCSD's website. We estimates it would take 6-10 hours to set up the new Alto website. However, we will need to determine how to move materials from the existing website to the new website.

Recommended Action: Motion to approve

e. Consider interest in CSDA Board of Directors Bay Area seat

Attached are the forms from CSDA.

Recommend Action: If anyone is interested, make a motion.

**7. Update Reports**

a. Manager's Report

Oral report on update on staff activities to date. Attached is the rate increase letter from Roto-Rooter. We emailed Board members a copy of the Brown Act as required by SB 707. We can schedule Nute Engineering to attend a Board meeting to provide an update on Alto projects and maintenance activities.

b. SASM Board meeting in March canceled

c. District Managers meeting of 03/04/2026

SASM is exploring options for adjusting the EDU allocations. The District Managers suggested keeping the analysis straightforward.

The CSDA Board of Directors is the governing body responsible for all policy decisions related to CSDA's member services, legislative advocacy, professional development, and other resources for members. The Board of Directors is crucial to the operation of the Association and to the representation of the common interests of all California's special districts before the Legislature and the State Administration. Serving on the Board requires one's interest in the issues confronting special districts statewide.

**Commitment and Expectations:**

- Attend all Board meetings, usually 4-5 meetings annually, at the CSDA office in Sacramento.
- Participate on at least one committee, meets 3-5 times a year at the CSDA office in Sacramento.  
*(CSDA reimburses Directors for their related expenses for Board and committee meetings as outlined in Board policy).*
- Attend, at minimum, the following CSDA annual events: Special Districts Legislative Days - held in the spring, and the CSDA Annual Conference - held in the fall.  
*(CSDA does **not** reimburse expenses for the two conferences even if a Board or committee meeting is held in conjunction with the event)*
- Complete all four modules of CSDA's Special District Leadership Academy within 2 years of being elected.  
*(CSDA does **not** reimburse expenses for the Academy classes even if a Board or committee meeting is held in conjunction with the event).*

**Nomination Procedures:** Any Regular Member district in good standing is eligible to nominate one person, a board member or managerial employee (as defined by that district's Board of Directors), for election to the CSDA Board of Directors. **A copy of the member district's resolution or minute action and Candidate Information Sheet must accompany the nomination. Dear Toy,

Thank you for being a valued customer and for your loyalty to Marin Roto-Rooter. We are grateful for the opportunity to serve your district.

We are writing to let you know about an upcoming increase in our pricing structure. We have kept our prices the same over the past four years, however, the rising cost of business operations makes a price increase necessary to continue servicing our sanitary district customers.

Our new price list is enclosed and will take effect March 15, 2026. Please contact our office if you have any questions.
